Mary Kay's mission is to enrich women's lives.™

Mary Kay: The Woman

After retiring from a successful 25-year career in direct sales, Mary Kay Ash wanted to enrich women's lives by providing an unparalleled business opportunity that allowed women to achieve their dreams while keeping life's priorities in order.

On Sept. 13, 1963, Mary Kay, her son Richard Rogers and nine Independent Beauty Consultants opened Beauty by Mary Kay from a 500-square-foot storefront in Dallas.

Mary Kay built her Company upon the Golden Rule and the priorities of God first, family second and career third.

Mary Kay Ash was Chairman Emeritus when she passed away on Nov. 22, 2001.

In a study conducted in 2003 by Baylor University, Mary Kay Ash was named the greatest female entrepreneur in American history.

It was Mary Kay's ardent desire that women would realize and use their God-given talents. She often said, "If today one woman realizes how great she is, then it's a great day!"
