

**Dear Bride-to-be,**

**CONGRATULATIONS!! And welcome to the most wonderful and hectic time of your life! Did you ever think there would be so many decisions to make? The dress, the hall, the food, the flowers, the car, the photographer... it hardly leaves any time for you.**

**That's where I come in. As an independent Beauty Consultant with Mary Kay Cosmetics and an advertiser with Premier Bride magazine, I can help you take the focus off everyone (and everything) else for a few hours and put it back where it belongs, on you!**

**On your wedding day, don't you want to look your best? All eyes and cameras will be on you. I can help you and your bridal party look your best for your special day. I'll be calling soon to set up a free skin care consultation for you (and your bridal party if you like). Won't it be great to take some time just for you?**

**Mary Kay Cosmetics has been the best-selling brand of skin care and color cosmetics for the past eight years. Don't you deserve the best?**

**I'll be calling soon to set up your pampering session.**

**Sincerely,**

**Beauty Consultant**
