

Shave Cream Guys!

Get ready to sell a ton of these cute little Shave Creams and make sure you have enough on your shelf for the holidays!

Directions:

1. Purchase infant socks in colors to complement the Shave Creams.
2. Stick them on the tops of the Shave Creams like little hats.
3. Glue 5 mm mini pom-poms on the Shave Creams for eyes and a nose.
4. Cut strips of fleece in colors to complement the Shave Creams and wrap them around the creams like a scarf. Cut fringe into the ends of the scarf.
5. Sell a ton of them.
6. Repeat.

Wasn't that easy? Have a great selling season!!
