

FACIAL IN A BAG FOLLOW-UP

Thank you for helping me with my “Facial in a Bag” program! You will be offering these packets to friends, family or co-workers so that they can try Mary Kay in the privacy of their own bathroom. When someone agrees to take one, please make sure she knows how important it is for me to be able to follow-up and get her opinion of the process. She can contact me, or I can contact her – either way, but this step is important, so please make sure she agrees to be contacted before you give her the packet!

Also, I want to thank you with \$10 off your next Mary Kay purchase for EACH completed Facial in a Bag appointment. Here’s how it works: if one of your friends takes the Facial in a Bag, tries it, gives me her opinion and then gets together with me to match her skin tone for foundation or receive her Create-a-Look for color, that’s \$10 in Mary Kay products for you! When she gets together with me, **SHE** also gets \$10 in free Mary Kay products. Win-Win!

Please list all the friends you give the “Facial in a Bag” to. Their name and best way to contact (phone, email, text). Please keep this list so that you have a record of who got the packets. Please call or email me with names and contact information. Thank you!

Oh! And if you need more packets to hand out, please let me know!
