

Lesson 5

Whose Life Will You Enrich Today?

Every woman you meet today wants to change her life in some way. Perhaps she wants excellence, or financial freedom or a sense of community. Maybe she wants to improve her health or she wants to look and feel younger. You aren't sent to everyone, but you are definitely sent to someone today.

Someone needs what you have. We need to recognize our innate gifts, talents and strengths and do everything in our power to build on them. Even if you have NEVER done anything with them, these gifts are still resident within you. Choose to do something with them, beginning right now.

Gifts and talents are really God's deposits in our personal accounts, but we determine the interest on them. The greater the amount of interest and attention we give them, the greater their value becomes. These gifts are never depleted. In fact, the more they are used, the greater, stronger and more valuable they become.

Everybody may not need your gift. But it is definitely needed by someone. Whose life will you enrich today? Someone has been waiting for you for a lifetime. They are worth pursuing. Open your mouth and offer this opportunity to other women today.

3. Follow up with the two women to whom you handed out TimeWise™ samplers earlier this week, see how they liked the product, and schedule a check-up facial or, better yet, a party.
4. Complete the Team Building section of *The Silver Wings Program*
5. Sell \$100 worth of product over the weekend.
6. Complete your Weekly Accomplishment Sheet over the weekend and either submit it to me or bring it with you to the unit meeting.
