

**Mary Kay Enthusiasm** (to the tune of "I've Got the Joy, Joy, Joy")

I've got that Mary Kay Enthusiasm up in my head, up in my head, up in my head. (point to head)  
I've got that Mary Kay Enthusiasm up in my head, up in my head to stay.

I've got that Mary Kay Enthusiasm down in my heart, down in my heart, down in my heart. (pat heart)  
I've got that Mary Kay Enthusiasm down in my heart, down in my heart to stay.

I've got that Mary Kay Enthusiasm down in my feet, down in my feet, down in my feet. (point to feet)  
I've got that Mary Kay Enthusiasm down in my feet, down in my feet to stay.

I've got that Mary Kay Enthusiasm all over me, all over me, all over me. (wiggle your body and your hands  
move from head to toes)  
I've got that Mary Kay Enthusiasm all over me, all over me to stay

(last verse speeds up)

I've got that Mary Kay Enthusiasm up in my head, down in my heart, down in my feet. (point to each area)  
I've got that Mary Kay Enthusiasm all over me, all over me to stay! (Shout Hey!)
