

This stunning look **Mary Kay Global Makeup Artist Luis Casco** created is all about a coppery gold wash of color on the eyes, and the stained lip helps the boho bride add a little color on her big day.

1. Apply a sheer wash of **Honey Spice mineral eye color** and **Amber Blaze mineral eye color** to the eyelids and bottom lashlines.
2. Sweep on two coats of **Lash Love® Waterproof Mascara in I ♥ black**.
3. Brush the coral shade from **Juicy Guava mineral cheek color duo** to the apples of the cheeks. Apply the highlighter to the tops of the cheekbones, the cupid's bow and the bridge of the nose.
4. Line lips with **Plum lip liner**. Dab **Rich Fig creme lipstick** onto the lips using your fingertips. Blot and reapply for a pretty stained look.
5. Set it and forget it with **Mary Kay® Makeup Finishing Spray by Skindinåvia**.
