Thank you for agreeing to try our
“Facial in a Bag” Program!

So Let’s get started!

- **Cleanser** - Apply 1/2 the packet of ***Timewise® 3-In-1 Cleanser*** (save the rest for another use) to a wet face and neck. Add extra water to enhance lather. Remove with a warm, wet cloth.
- **Microdermabrasion** - Splash water on 1/2 of your face. Using the **Step 1 Refine** packet, massage the contents on 1/2 of your face, (we’ll call this side you “pampered side”) making sure your face is wet as you massage. Massage for 1 minute and rinse. Pat dry.
- Follow with **Step 2 Replenish** on the same side of your face. By doing 1/2 of your face, you can compare and see results.
- Now apply ***Timewise® Night Solution*** on the “pampered side” of your face. Let it dry. Follow with ***Timewise® Day Solution*** on the “pampered side”, right on top of Night Solution. Normally you would only use Day Solution in the morning and Night Solution at night.
